

## ***WE ARE MAKING A DIFFERENCE***

When *HOHI* was born two years ago, our mission was to “help hurting people” wherever we can. And that is what we have been doing. Just this year we have been able to disburse more than \$140,000.00. Here is a partial list of some of our involvement:

- **In Kenya**, our major commitment is through the *Seeds In HIS Garden* Children’s Home and School. In addition to meeting the monthly operational budget of the home and the education of the children, we have been working hard to raise funds and make plans for the development of the new site.
- **In India**, we have been working with Devendra Rai, who is a missionary with Action International. He was born in India and has a great awareness of the greatest needs. Through Devendra we have provided funds to give children educational opportunities, to help save 13 children from death due to malaria, to support workers in unreached areas, to help construct a church, to assist in the training of church leaders, to provide cows for the support of church leaders, to assist in the training of young men to become taxi drivers, and to provide food for hungry children.
- **In Ethiopia**, we provided funds for John Payne, a medical doctor from California who is working on a project with church leaders in the country that will impact the lives of one million people. Our funds will be used to allow top leaders to travel to remote areas for the training of those who will actually lead the project on the ground. The project will include meeting humanitarian needs and evangelism.
- **In Cambodia**, we have provided funds for vehicles, pastoral training, and the care of orphans.
- **In Nepal**, we provided funds for the training of church leaders.
- **In Honduras**, we assisted in purchasing a mobile medical unit.

**BJ and Andrea Lopez with their Cambodian children**

**Rev. Adams with YWAM Base Director Joseph Chean**

**Koko and Devendra Rai – Our advisors in India**

As you consider what *HOHI* has done, keep these two things in mind:

We only send funds to projects that we have personally examined and determined to be worthy of our support.

We continue to devote 100% of your contributions to meet the needs of our hurting world. This is only possible because Rev. Adams works without salary and our low overhead is covered completely by our *HOHI* Board Members.

### **MISSION STATEMENT**

*Hands of Hope International* is a non-profit California corporation. Our mission is to raise awareness and create interest in our hurting world, and to provide funds, services, training, materials, and equipment for individuals and organizations that are making a significant difference. Although *HOHI* is a Christ-centered organization, help is granted wherever the greatest needs are found, without regard to either religion or nationality.
