

Hands of Hope International

Helping hands for a hurting world

June 2007

Dear Friends,

This report is way overdue and I hope you will forgive us. I will offer no excuses, but I will try and explain.

Our office staff is made up of just two people, me and my extremely capable executive assistant, Jackie Kennedy. My time is spent in international travel, fund raising, constant communication with Africa, preaching on request, keeping our *HOHI* Board informed, and responding to a constant flow of e-mails, phone calls, and visitors. Although Jackie is part time, she is extremely busy with record keeping, Board reports, phone calls, letter writing, and the huge responsibility of overseeing the ordering and shipping of educational materials.

All of the above is but a partial list of our time consuming responsibilities. In addition, Jackie has been extremely busy overseeing the needs of her husband, Bill, who is seriously ill and has been frequently hospitalized. As you think about all the needs of both *Hands of Hope International* and *Seeds In HIS Garden*, would you please join with me in prayer for Bill's health and Jackie's strength during this time of critical illness and exhaustive treatment.

Enclosed are reports of both *HOHI* and *SIHG*. Unfortunately, space will not allow us to give you a complete report of all the great things that are being done to make a difference in our hurting world.

Please remember, without the love, prayers, and financial support of so many of you, none of these things would be possible. On behalf of all those that you have helped, I want to thank you from the depths of my heart!

Together we are making a difference!
